

Vasudharini Somasekar Ayyar

## **Final Assignment Data Analysis Check Point 1**

### **Business Issue / Question:**

Do chocolate bars with higher cocoa percentages receive better ratings? I want to explore how factors like cocoa percentage, country of origin, and manufacturer affect chocolate ratings.

### **Dataset Title:**

Chocolate Bar Ratings

### **Dataset Link:**

<https://www.kaggle.com/datasets/rtatman/chocolate-bar-ratings>

### **Source / License:**

Kaggle – CC0: Public Domain

### **Reason for Choosing:**

It provides interesting insights into what makes chocolate bars highly rated, such as cocoa percentage and bean origin. It's also a fun and engaging topic, about Chocolates.
